Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_OTP_01	Verify account with correct OTP	OTP verified successfully	OTP verified and redirected to profile page	Pass
TC_OTP_02	Enter incorrect OTP	Error: Invalid OTP	Invalid OTP error displayed	Pass
TC_OTP_03	OTP expired	Error: OTP expired	OTP expired message displayed	Pass
TC_OTP_04	Resend OTP functionality	New OTP should be sent	New OTP generated and sent successfully	Pass
TC_OTP_05	Empty OTP submission	Error: OTP required	OTP required message displayed	Pass

Profile Completion Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_PROFILE_01	Enter valid profile information	Profile created successfully	Profile created and account activated	Pass
TC_PROFILE_02	First name empty	Error: First name required	Validation message displayed successfully	Pass
TC_PROFILE_03	Last name empty	Error: Last name required	Validation message displayed successfully	Pass
TC_PROFILE_04	Department not selected	Error: Please select department	Department required message displayed	Pass

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_PROFILE_05	Batch year invalid	Error: Invalid batch year	Invalid batch year message displayed	Pass

Login Page Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_LOGIN_01	Login with valid email and password	User should login successfully	User logged in and dashboard opened	Pass
TC_LOGIN_02	Login with invalid password	Error: Invalid credentials	Invalid credentials message displayed	Pass
TC_LOGIN_03	Login with unregistered email	Error: Account does not exist	Account not found message displayed	Pass
TC_LOGIN_04	Login with empty email field	Error: Email is required	Email required validation displayed	Pass
TC_LOGIN_05	Login with empty password field	Error: Password required	Password required validation displayed	Pass

Forgot Password Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_FP_01	Click forgot password link	Forgot password page should open	Forgot password page opened successfully	Pass
TC_FP_02	Send OTP with registered email	OTP sent successfully to email	OTP sent and verification page opened	Pass
TC_FP_03	Send OTP with unregistered email	Error: Email not registered	Email not registered message displayed	Pass
TC_FP_04	Submit forgot password without email	Error: Email required	Email required validation displayed	Pass
TC_RESET_01	Reset password with valid password	Password reset successfully	Password updated and redirected to login	Pass

Reset Password Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_RESET_02	Reset password with weak password	Error message should be displayed	Weak password validation displayed successfully	Pass
TC_RESET_03	Password and confirm password mismatch	Error: Password mismatch	Password mismatch error displayed	Pass
TC_RESET_04	Password without special character	Error message should be displayed	Special character validation displayed successfully	Pass

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
4	character	be displayed	validation displayed	
TC_LOGIN_F LOW_01	Complete forgot password and login successfully	User logs in successfully	Password reset completed and dashboard opened	Pass
TC_GA_01	Global admin button visible for global admin user	"Global Admin" button visible on dashboard	Global Admin button displayed successfully	Pass

Global Admin Access Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_GA_02	Global admin button hidden for normal user	Global Admin button should not be visible	Button hidden successfully for normal user	Pass
TC_GA_03	Navigate to Global Admin page	Global Admin dashboard should open	Global Admin dashboard opened successfully	Pass
TC_UNI_01	Add university with valid data	University successfully created	University added and displayed in list	Pass
TC_UNI_02	Add university without name	Error: University name required	Validation message displayed successfully	Pass
TC_UNI_03	Add university without code	Error: Code required	Validation message displayed successfully	Pass

Add University Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_UNI_04	Add university with duplicate code	Error: Code already exists	Duplicate code validation displayed	Pass
TC_UNI_05	Add university with valid website URL	University created successfully	University created with website URL	Pass
TC_UNI_06	Add university with invalid website URL	Error: Invalid URL	Invalid URL validation displayed	Pass
TC_UNI_07	Close university modal	Modal closes successfully	Modal closed and returned to dashboard	Pass
TC_UL_01	Display list of universities	List of universities displayed	University list loaded successfully	Pass

University List & Assign Representative Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_UL_02	Each university has assign button	"Assign +" button visible for each university	Assign button displayed successfully	Pass
TC_REP_01	Open assign representative panel	List of registered students displayed	Student selection modal opened successfully	Pass
TC_REP_02	Display students of selected university	Only students from that university shown	Correct student list displayed	Pass
TC_REP_03	Assign representative successfully	Student assigned as University Rep	Role updated successfully	Pass
TC_REP_04	Assign rep without selecting student	Error: Select student first	Validation message displayed successfully	Pass

Assign University Representative Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_REP_05	Assign rep to already assigned student	Error message should be displayed	Duplicate assignment prevented successfully	Pass
TC_GA_FL_OW_01	Add university and assign representative	University created and representative assigned	University Rep assigned successfully	Pass
TC_UR_01	University Rep button visible for University Rep	University Rep panel button visible	Button displayed successfully	Pass
TC_UR_02	University Rep button hidden for normal student	University Rep panel should not be visible	Panel hidden successfully	Pass
TC_UR_03	Navigate to University Rep page	University Rep dashboard should open	Dashboard opened successfully	Pass

Add Department Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_DEP_01	Create department with valid data	Department created successfully	Department added successfully	Pass
TC_DEP_02	Create department without name	Error: Department name required	Validation message displayed successfully	Pass
TC_DEP_03	Create department without code	Error: Code required	Validation message displayed successfully	Pass
TC_DEP_04	Create department with duplicate code	Error message displayed	Duplicate department prevented successfully	Pass
TC_DEP_05	Cancel department creation	Form closes without saving	Form closed successfully	Pass

Department List Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_DEP_LI ST_01	Display list of departments	List of departments displayed	Department list loaded successfully	Pass
TC_DEP_LI ST_02	Assign button visible for each department	Assign button visible for each department	Assign button displayed successfully	Pass

Assign Department Representative Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_DREP_01	Open assign department rep modal	List of students displayed	Student selection modal opened successfully	Pass
TC_DREP_02	Display only students from that department	Only department students displayed	Correct students displayed successfully	Pass
TC_DREP_03	Assign department representative successfully	Student becomes Department Rep	Role assigned successfully	Pass
TC_DREP_04	Assign without selecting student	Error message displayed	Validation displayed successfully	Pass
TC_DREP_05	Assign already assigned rep	Error message shown	Duplicate assignment prevented successfully	Pass

Add Exam Format Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_EXAM_01	Add new exam format	Exam format created successfully	Exam format added successfully	Pass
TC_EXAM_02	Add exam format without name	Error message displayed	Validation displayed successfully	Pass
TC_EXAM_03	Add multiple exam formats	All formats saved successfully	Multiple formats saved successfully	Pass

Manage Exam Format Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_EXAM_04	Update exam format name	Format updated successfully	Exam format updated successfully	Pass
TC_EXAM_05	Delete exam format	Format removed from list	Exam format deleted successfully	Pass

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_EXAM_06	Reorder exam format	Display order updated	Exam formats reordered successfully	Pass

End-to-End University Rep Flow Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_UR_FL_OW_01	Create department and assign department rep	Department created and representative assigned	Department Rep assigned successfully	Pass

Department Representative Access Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_DR_01	Department Rep panel visible for Department Rep	Department Rep panel button visible	Panel button displayed successfully	Pass
TC_DR_02	Department Rep panel hidden for student	Department Rep panel not visible	Panel hidden successfully	Pass
TC_DR_03	Navigate to Department Rep page	Department Rep dashboard opens	Dashboard opened successfully	Pass

Add Program Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_PROG_01	Create program with valid data	Program created successfully	Program added successfully	Pass
TC_PROG_02	Create program without program name	Error: Program name required	Validation displayed successfully	Pass
TC_PROG_03	Create program with duplicate code	Error message displayed	Duplicate program prevented successfully	Pass
TC_PROG_04	Create program with valid duration	Program saved successfully	Program created with semesters calculated	Pass
TC_PROG_05	Cancel program creation	Modal closes without saving	Modal closed successfully	Pass

Program List Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_PROG_LI	Display list of programs	Program list displayed	Program list loaded	Pass

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
ST_01			successfully	
TC_PROG_LI ST_02	Assign button visible for each program	Assign button visible for each program	Assign button displayed successfully	Pass

Assign Program Representative Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_PREP_01	Open assign representative modal	Student list modal opens	Student modal opened successfully	Pass
TC_PREP_02	Display students from that program	Only students from program shown	Correct students displayed successfully	Pass
TC_PREP_03	Assign program representative successfully	Student becomes Program Rep	Role assigned successfully	Pass
TC_PREP_04	Assign without selecting student	Error message displayed	Validation displayed successfully	Pass
TC_PREP_05	Assign already assigned rep	Error message displayed	Duplicate assignment prevented successfully	Pass

End-to-End Department Rep Flow Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_DR_FLO W_01	Create program and assign representative	Program created and representative assigned	Program Rep assigned successfully	Pass

Academic Session Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_SESSION_01	Create academic session with valid years	Academic session created successfully	Session created successfully	Pass
TC_SESSION_02	Create session with empty start year	Error message displayed	Validation displayed successfully	Pass
TC_SESSION_03	Create session with empty end year	Error message displayed	Validation displayed successfully	Pass
TC_SESSION_04	Create session with end year less than start year	Error: Invalid session years	Invalid year validation displayed	Pass
TC_SESSION_05	Cancel session creation	Modal closes without creating session	Modal closed successfully	Pass

Session List Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_SESSION_LIST_01	Display list of academic sessions	List of sessions displayed	Session list loaded successfully	Pass
TC_SESSION_LIST_02	Assign button visible for each session	Assign button visible beside session	Assign button displayed successfully	Pass

Assign Students to Session Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_ASSIGN_SESSION_01	Open assign student modal	Student list modal opens	Student assignment modal opened successfully	Pass
TC_ASSIGN_SESSION_02	Display students eligible for that session	Eligible students displayed	Correct student list displayed successfully	Pass
TC_ASSIGN_SESSION_03	Assign student to session successfully	Student assigned to session	Student linked to session successfully	Pass
TC_ASSIGN_SESSION_04	Assign session without selecting student	Error message displayed	Validation displayed successfully	Pass
TC_ASSIGN_SESSION_05	Assign student already assigned to session	Error message displayed	Duplicate assignment prevented successfully	Pass

End-to-End Academic Session Flow Test Cases

Test Case ID	Test Case Scenario	Expected Result	Actual Result	Status
TC_SESSION_FLOW_01	Create session and assign students successfully	Session created and students assigned	Students linked to session successfully	Pass
